Summer Horse Camp at Legacy Equestrian Center in Chesterland, Ohio will feature American Quarter Horse Professional and National show competitor, Casi Gilliam. Casi has two highly interactive weeks planned for those looking for a fun and education summer camp experience.

Not just your average horse camp, attendees can range in age from seven through adults and can be brand new to horses, through advanced riders. Situated on 140+ picturesque acres in Chesterland, Ohio, this summer camp offers state-of-the-art facilities and horses, in addition to the beauty of Ohio in the summer.

Campers will enjoy daily riding lessons based on their level of riding from Casi herself (a \$375 value). The rest of the day will be filled with amazing great times, including crafts, obstacle courses, picnics, games, trails and fun in our pond.

→ Half-Day Campers: Bring one snack, a full water bottle with your name, and a bagged lunch.

→ Full-Day Campers: Bring two snacks, a full water bottle or two with your name, a bagged lunch.

→ Campers must wear long pants for riding and a hard soled shoe or boot with a heel.

→ We have a limited number of riding helmets available for campers to borrow, or it is advised campers bring their own, with their name marked on helmet. Bike helmets are not acceptable.

→ PLEASE pick campers up promptly at Noon or 2pm.

Thank you for your participation, and we look forward to a wonderful week!
